MAKAI HURST

B.S., Management Information Systems

Huntsville, AL · (754) 610-8990 · makai.hurst@oakwood.edu · makaihurst.com · in/makai-hurst-965a98247

SUMMARY

I build software that cuts out busywork: web apps, browser automation and data tools for students and small businesses. Through Site House, I take client websites from first call to launch. I'm looking for an internship in IT, data or business systems.

EDUCATION

B.S., Management Information Systems · Oakwood University, Huntsville, AL — Expected Dec 2027

GPA 3.0. AWS coursework in EC2, S3 and service integration.

Honors: 2023 Alabama PowerPoint State Champion

Certifications: AWS Cloud Practitioner (in progress) · Microsoft Office Specialist (PowerPoint, Excel, Word) · IC3

SELECTED PROJECTS

Orbit · 2026

Chrome extension and iPhone app that pulls assignments and due dates from D2L, GroupMe and Outlook into one dashboard with a countdown to what's due next.

JavaScript · React · Chrome Extensions · iOS

Scan for demo

Alien Force Arena · 2026

Browser remake of the 1990 game Alien Force with online 1v1 and 2v2 matches, QR room invites, ranked matchmaking and Discord sign-in, on a PostgreSQL schema built for my Database Design course.

TypeScript · React · Canvas · Supabase/PostgreSQL

Scan to play

AUTOZS · eBay & Depop stores · 2026

Automation behind my online stores, which reached $90,000 in annual revenue: listing workflows, stock and price monitoring, order tracking and profit-aware pricing.

Python · FastAPI · SQLAlchemy · JavaScript · SQLite

Apply Pilot · 2026

Finds job and scholarship applications, checks eligibility and fills forms with reusable answers across 6 workflow roles.

React/Vite · Python · SQLite · Chrome browser bridge

WORK EXPERIENCE

Founder & Web Developer · Site House — Jun 2026 – Present

Run a web studio with 4 active clients, taking sites from scope to launch on Vercel, Netlify and Shopify.

Shift Lead · Smoothie King, Lauderhill, FL — Jun 2024 – Present

Lead shifts for a team of 8–10 and resolve customer issues; promoted for reliability and leadership.

Teaching & Technology Support Assistant · Oakwood University, Huntsville, AL — Aug – Nov 2026

Troubleshot PCs, printers and applications in the computer lab and helped students with Microsoft Office (also Sept 2022 – Oct 2023).

Customer Service Associate · Wawa, Davie, FL — Oct – Dec 2024

Handled cashier duties and customer service in a high-volume store.

SKILLS

Languages: JavaScript, TypeScript, Python, SQL, HTML/CSS
